# FOOD SECURITY PROGRAMS

The Los Angeles LGBT Center's Food Security Programs provide free, nutritious food and essential items to low-income LGBTQ+ individuals and families across Los Angeles. Through weekly hot lunches, monthly community markets, and pantry distributions, these programs help combat food insecurity while fostering dignity, connection, and community care.

# ESSENTIALS FOR EQUITY PROGRAMS

Essentials for Equity Programs provide tangible support to LGBTQ+ youth, seniors, and community members by ensuring access to essential, everyday items. Through donation drives, closet organization, and assembling care kits, volunteers and partners help meet immediate needs with dignity—fostering equity, stability, and well-being across all Center programs.

## CLOSET ORGANIZATION

**THE CENTER OFFERS RESOURCE CLOSETS FOR UNHOUSED LGBTQ+ YOUTH** ages 18 to 24, providing essentials like hygiene kits and gender-affirming clothing. Volunteers help sort and organize inventory to ensure these vital items reach those who need them most.

*Donation Station | Youth Casual-Wear Closet | Youth Professional Wear Closet | Rainbow Boutique*

**1118 N. McCadden Pl., Los Angeles, CA 90038**

Volunteer shifts available Monday–Friday (1- to 2-hour increments, scheduled in advance)

(Capacity: 5)

## DONATION DRIVES

**HOSTING DRIVES FOR CLOTHING, HYGIENE ITEMS, PANTRY GOODS, AND AFFIRMING PRODUCTS** like makeup is a meaningful way for offsite groups to support the Center's youth, seniors, and vulnerable community members. These donations strengthen programs across the Center and help clients feel seen, supported, and empowered as they work toward long-term goals such as housing, employment, and stability.

*Please coordinate a drop-off date and time in advance.*

## ESSENTIAL CARE KITS

**SUPPORT LGBTQ+ SENIORS AND YOUTH** by assembling Essential Care Kits within your own workspace. These kits—typically assembled in batches of 150—include a range of necessities that promote comfort, wellness, and dignity. Amazon Wishlists for both [seniors](#) and [youth](#) are available to guide your purchasing.

*Please coordinate a drop-off date and time in advance.*

# FUTURE FORWARD PROGRAMS

Future Forward Programs empower LGBTQ+ youth through career exploration, skill-building, and creative engagement. This series includes Youth Employment Panels, Career Development Workshops, and customizable Partner Spotlight Activations — giving partners the opportunity to share their expertise in ways that are hands-on, collaborative, and affirming. From resume tips to makeup tutorials, each session helps young people gain confidence, explore career paths, and connect with professionals who reflect and uplift their identities.

## WORKFORCE DEVELOPMENT SERIES

### YOUTH EMPLOYMENT PANEL

Volunteers share their career journeys with LGBTQ+ youth (ages 18–24), offering insight into diverse and underrepresented paths. These panels expand what youth see as possible in their professional futures.

### CAREER DEVELOPMENT WORKSHOP
