DONATION DRIVES

SENIOR PRIDE PANTRY

The Los Angeles LGBT Center's Senior Pride Pantry ensures that LGBTQ+ older adults (age 50+) have consistent access to nutritious food and household essentials. Open twice a week, the pantry provides shelf-stable groceries, fresh produce, and other necessities to older adults living on fixed incomes who often face barriers to food security. Older adults can visit up to twice per month, making it a reliable supplement to their limited resources.
