I want to thank so many of you for coming out to the community meeting we hosted about the Center’s new Anita May Rosenstein Campus in June. The meeting was the first for this year and we discussed what is being created in our new senior center and affordable housing units. As we move closer to the campus opening, we will have additional meetings to provide more in-depth information on the affordable housing, including application process, eligibility, and financial documentation. I hope many of you who are interested in the project will follow our updates as we approach the opening of the senior center, which is estimated for April 2019.

With that move-in date in sight, we are updating all our participants’ basic information into our computer system. We are also taking photos of all participants to transition to Senior Services identification cards for all activities. If you haven’t completed an updated registration form, you can stop by our office at The Village at any time to complete it and have your photo taken. In the next few months, a staff person will be contacting participants who haven’t had a chance to complete the forms. The purpose of this transition is to automate a check-in system in our new building, increasing security for all our members. It also allows us to update your contact information and demographics, which enables us to apply for additional grants to support our programs and services.

I loved seeing so many of you at Senior Prom dancing the night away—dancing is such an important part of our community! I hope you attend our upcoming dances: Motown Get Down on August 3; Women’s Black and White dance on September 8; and Halloween costume dance on October 31. See you on the dance floor!

Sincerely,
Kiera Pollock, M.S.W.,
Director of Senior Services
